Regional Director Elections: How to Vote via Absentee Ballot

According to cooperative bylaws, if a patron member cannot attend the district meeting where an election is occurring, he/she may request an absentee ballot prior to the election by calling Maureen Tobias at 800-362-3989, ext. 200. Completed ballots received prior to the deadline date listed for your particular district will be included in the tabulated results.

In order to vote by absentee ballot, you need to know which association you belong to, as well as your patron number. You can find your association number and patron number in the upper right-hand corner of your check stub — the patron number is six digits and your association number is the two digits directly below it. A listing of the districts and shipping associations can be found on the bottom right of this sheet.

Regional director elections will be held in Districts VI, III and IX. Nomination committees have met and selected candidates for each ballot. See specific district information below.
