LIMITED ADMITTANCE

Equity Cooperative Livestock Sales Association is continuing to comply with current state guidelines for safe business operations. These guidelines limit the capacity of business facilities. Please help us to meet these limitations by observing the following:

Only individuals with a legitimate business need should enter.

Only one person per operation should enter.

Anyone with symptoms consistent with COVID-19 or who is not feeling well should not enter.

Absolutely no children in the facility.

If you do enter, observe all signage and suggested precautions.

Should it become difficult to safely distance due to the number of people in the facility, all non-buyers and non-employees will be asked to leave.

Anyone entering this facility is doing so with the understanding they are assuming all risks associated to COVID-19 and any other viruses or bacteria that may be present.
