## EFFECTIVE APRIL 16, 2018

March 28, 2018

Changes in schedule are highlighted.

Dear Equity Hog Producers:

Thank you for marketing your hogs through our cooperative. Recent regulation changes by the Wisconsin Department of Animal Health have caused us to make changes in sale schedules, and the hog marketing process. These changes enable us to continue to provide you with quality service that enables us to all be in compliance with the new regulations. If you have questions about the regulations and its implementation from the Animal Health Department please contact the Wisconsin Department of Animal Health or visit their website at [https://datcp.wi.gov/Pages/Programs\\_Services/SwineMovement.aspx](https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx).

Please review the chart below that indicates the schedules for marketing hogs at each of the Equity markets.

You will be required to bring a copy of your negative test results every time you bring feeder pigs to your Equity facility.
