

*on the farm ~ in the market ~ working together*

## LIMITED ADMITTANCE

Equity Cooperative Livestock Sales Association continues to ask only people who have business to conduct with the cooperative enter our facilities. We are asking those people with business to conduct to enter the facility to conduct their business and leave the facility. These steps remain necessary to protect employees, buyers, truckers, and sellers to continue our operations for the benefit of all parties.

## NO CHILDREN IN SALEBARN OR OFFICE

We appreciate and value the interest and participation of young people in our industry but given the current COVID-19 situation, we are asking all children refrain from entering our facilities at this time.
