NO SPECTATORS

Effective August 1, 2020, Equity Cooperative Livestock Sales Association is again implementing the “No Spectator Policy”, we are asking anyone who is not an employee or active buyer to not enter our facilities. With the recent spike in Covid-19 cases across our service area it is necessary to protect employees, buyers, truckers, and sellers.

NO SELLERS INSIDE THE BARN OR OFFICE

We value our partnerships with our livestock sellers so for their health and wellbeing and that of our employees, we are restricting all sellers to the unloading docks only. Please deliver your livestock and promptly depart the facility. Should you need arrangements to pick up your check, please call the market office for arrangements.

WE ARE VERY SORRY FOR THE INCONVENIENCE BUT THESE STEPS ARE ESSENTIAL AS WE ATTEMPT TO MAINTAIN OPERATIONS GIVEN THE RECENT SPREAD OF THE COVID-19 VIRUS.
