

Did You Know That Equity Offers Direct Deposit

Looking to save some time? Now you can have your Equity check directly deposited to your bank account by signing up for *Direct Deposit*.

How It Works

Complete a *Direct Deposit* application form and upon bank verification, we will direct deposit your check when you sell through Equity Cooperative Livestock Sales Association. Your sales proceeds will be in your bank account two or three business days following the sale date.

How To Sign-up

Stop at your local market or contact the Baraboo office at 1-800-362-3989 or email accounting@equitycoop.com for additional information and an application form.

Some restrictions apply:

- If you split your check with partners, relatives, etc., every split patron must be enrolled in direct deposit.
- We are not able to direct deposit checks for patrons with mortgaged livestock or truckers.

Questions?

Contact your local Equity Market or the Baraboo office at 800-362-3989.
