

# Independent Livestock Representative

Equity Livestock has been offering online auction services through its Electronic Lamb Auction for over 40 years.

Equity is now looking to add Independent Livestock Reps to increase marketing opportunities for producers across the country. These Reps will offer seller representation, marketing expertise, and assistance during load out of livestock.

If you have experience marketing load lot units of sheep or goats and are interested in learning more about this position, Please call 800-362-3989 ext. 132.
