**Tuesday, June 9, 2026 - 11:00 AM**  
**Equity Livestock Sales - Stratford**  
**Sale Live on CattleUSA**

**Complete Milking Herd Dispersal of Duane and Lynnette Johnson.**

Mostly Holstein milking cows. The herd is a closed herd for 45 years! Herd average was 3.8 BF, 3.2 PRO. and SCC running at 120. Cows are milked in tie-stalls but heifers are raised in free-stalls and on pasture in the summer. Herd is A.I. bred, mostly to Black Angus bulls from Central Star Select Sires. Monthly herd health is done and each fall cattle are poured with Eprenex.

Herd Check completed by Medford Vet Clinic.
